Feedback:

What did the presenter do well? What could they improve?

Effective & efficient slides. Very logical, practical,
& necessary on their side to build. Excellent
job

Questions:

While they were presenting, what questions did you have about their content?

Feedback:

What did the presenter do well? What could they improve?

- loved the intro, and love the story of why you chose Thrive
- liked how you provided structure of the presentation up front
- really loved the prezzi design
- personas were very well thought out
- ~~for the current~~

Questions:

- It would be nice to visually see how the current reorder ~~redo~~ function works.

While they were presenting, what questions did you have about their content?

good energy, but I did feel the pacing was fast

- ~~Q~~ ~~When~~ you called out the target list in Santa Monica. I wonder if there is still value for SM people to use thrive market.
